

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, please contact the Fund Administrator, c/o Benefit Program Administration at 1-800-386-4350. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$350 person/In Network \$1,050 family \$700 person/Out of Network \$2,100 family	You must pay all of the costs up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for covered services you use. Check your policy or <a href="#">plan</a> document to see when the <a href="#">deductible</a> starts over (usually, but not always, January 1 <sup>st</sup> ). See the chart starting on page 2 for how much you pay for covered services after you meet the <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes	In accordance with the provisions of the Affordable Care Act (ACA) Preventative Care (as recommended by the U.S. Preventative Services Task Force) In Network preventative care is not subject to the <a href="#">deductible</a> . Preventative Care provided Out of Network are subject to the <a href="#">deductible</a> .
Are there other <a href="#">deductibles</a> for specific services?	No	There are no other specific <a href="#">deductibles</a> . You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	The following Out of Pocket Limits are calendar year. \$4,300 person/In Network Medical <a href="#">Providers</a> \$8,600 family/In Network Medical <a href="#">Providers</a> \$3,050 person/Express Scripts \$6,100 family/Express Scripts Non-network <a href="#">providers</a> , \$4,000 person/for most services.	The <a href="#">out-of-pocket limit</a> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. Note: Out-of-network hospital charges do not apply.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Balance-billed charges, non-covered charges, and penalties for failure to obtain <a href="#">pre-authorization</a> .	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> . See pages 2-5.
Will you pay less if you use a <a href="#">network provider</a> ?	Yes	You benefit directly when you use AETNA Choice POS II physicians and network hospitals because AETNA <a href="#">providers</a> have agreed to accept contractual rates. Covered expenses are paid at 80% for AETNA Choice POS II medical facilities and physician charges (compared to 60% of usual, customary and reasonable charges for non-PPO <a href="#">providers</a> ).
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	A physician referral is not required to see a <a href="#">Specialist</a> . The plan does require <a href="#">Pre-Authorization</a> of all non-emergency hospitalizations. Failure to obtain a <a href="#">Pre-Authorization</a> will result in a 30% reduction in the applicable benefit.

\* For more information about limitations and exceptions, see the plan SPD.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
