This is a summary of the annual report of the Office and Professional Employees International Union Locals 30 and 537 Health and Welfare Fund (the "Plan"), E.I.N. 95-6047601, Plan No. 501, for the year ended January 31, 2023. The annual report has been filed with the Employee Benefits Security Administration, U.S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

The Board of Trustees of Office and Professional Employees International Union Locals 30 and 537 Health and Welfare Fund has committed itself to provide certain health and welfare benefits incurred under the terms of the plan.

Insurance Information

The plan has contracts with Kaiser Foundation Health Plan, Inc., Kaiser Foundation Health Plan of Colorado, Aetna Life Insurance Company, United Concordia Dental Plans of California, Vision Service Plan, UnitedHealthcare Insurance Company and HCC Life Insurance Company to provide certain benefits incurred under the terms of the plan. The total premiums paid for the plan year ended January 31, 2023 was \$4,477,330.

Because they are so called "experience-rated" contracts, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ended January 31, 2023, the premiums paid under such "experience-rated" contracts were \$46,255 and the total of all benefit claims paid under these experience-rated contracts during the plan year was \$37,526.

Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$11,387,710 as of January 31, 2023, compared to \$11,376,378 as of February 1, 2022. During the plan year, the plan experienced an increase in its net assets of \$11,332. This increase includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year, or the cost of assets acquired during the year. During the plan year, the plan had total income of \$7,345,673 including employer contributions of \$7,687,376, participant contributions of \$410,694, losses from investments of \$754,929, and other income of \$2,532.
